Ideas That Stand Out

We share the GREYC identity and choose a style that fits our work.

One Clear Idea

A common set of utilities across seven layouts.

- Readable typography.
- Team-specific branding.
- Consistent visual hierarchy.

Evidence And Context

Strong presentations connect results to their sources. [Knuth1984]

[Knuth1984] Knuth, D. E. (1984). *The TeXbook*. Addison-Wesley.

Methods And Results

```python
def present(idea):
    # A small, readable example
    return {"result": idea}
```
